Dedication

While most of the people of Marion were asleep in their homes on September 8th, tragedy struck the DeGelleke family. A fire in their home claimed the life of Mrs. Judith DeGelleke, and severely injured a man held so dearly to many of us. What most of us did not realize was that never again would we walk down the halls of Marion to see the familiar scruffy beard and lovable pot-belly. Never again would I be kidded about all the money his wife spent at the darn hairdresser's. Twelve days after that terrible Saturday morning, Mr. DeGelleke left us to join his wife in what we wish to be their eternal happiness.

This tragedy has deeply touched each of us in a different way, yet the community has come together to create a lasting memory. The DeGelleke Memorial Scholarship fund has been established, and the Wayne County tennis coaches developed the John DeGelleke Sportsmanship Award, which was awarded to the Marion team this past season.

Mr. DeGelleke taught at MCS for 23 years, and served as advisor to Student Council, Ski Club, coach for boys' and girls' tennis, and was chairman of the Social Studies Department. Getting used to his absence has not been easy.

Mr. DeGelleke, though you are no longer here with us, we hope that somehow you know that your presence is still felt. Your life was not without meaning; it is only unfortunate that others will not be able to know the Mr. DeGelleke we grew to love and respect.

Lisa Schoonerman,
Editor-in-Chief

Appreciation

Mr. Thompson — In just five years, you have created a concert band, marching band, and jazz ensemble which have made us and the community very proud. Thank you for all of your time, effort, enthusiasm, and most of all, patience. We love you, Mr. T!!

Mr. Reynolds — You always have a smile and a joke to make us feel better, even on our bad days. The interest and enthusiasm you have shown have helped to brighten our school days.

Mrs. Cuvelier — Both in words and actions, you have continued to let us know that you care. Thank you so much for all of your support throughout these past years.

"The Way We Were"

In the fall of 1972, we, the class of 1985, started our first day of school. It was a very different experience being away from our mothers for so long, but some of the luxuries of home were still present, such as lunch served promptly at twelve and a long time provided for us to take our naps, even though we were often too excited and nervous to even think of sleeping. Some of the highlights of our first year in school were: our trip to Mr. Reynolds' theater to see the film "Dumbo," a trip to Rochester to see the circus, and a visit to the Seneca Park Zoo at the end of our year.

When we moved to first grade, we were joined by Amy Garlipp. The excitement of the year was going to the planetarium and joining the second graders for a picnic at Forman Park.

As second graders we received the privilege of switching classes and learned how to write using cursive. This year we were joined by Amy Nielsen, Kim Becker, and Sue Bird.

In third grade our favorite science lessons were about dinosaurs. Dave Hubright found a dead bird to enrich our bird unit, but Mrs. Hartfiel made him leave it outside. During the year we had many visits from Mrs. Newton's hamsters. At the end of the year one of our most exciting events was the Bicentennial Parade. We all dressed up as famous revolutionary characters. On the last week of school, we had a big third and fourth grade picnic. This year we were joined by Beth Luetchford and Chris DeGelleke.

For fourth grade, we were introduced to band and musical instruments. During our last week of school, moving day struck! We had to move all the "junk" from our homerooms to different rooms. And the year ended with a picnic at Forman Park. This year we were joined by Scott and Tracee Holmes.

In fifth grade we always looked forward to Mr. Wolfanger's class with all of the fun games of "Gumball" and "Jeopardy." We will also never forget all of Mr. DeMay's many lectures. We were joined by Hannah Naughton in May who only got to share our rainy fifth grade picnic with us.

We had our first experience as "Seniors" during sixth grade. We really thought that we were somethin'. Some of the special events of the year were Mr. Worthington's science labs, Mrs. McKane's eraser throwing habits, and a fifties sock hop. But the biggest event of all was our graduation from Elementary School. Goodbye paradise. Hello reality!

After moving to seventh grade we were presented with a lot of new problems. One of our most common, being infamous for seventh graders, was looking up. The class project for this year was selling posters and T-shirts, and we raised $600.

Moving on to eighth grade was an event that we all looked forward to. No longer were we the "little kids" of the school. We still continued our junior high life with excitement. Our class project this year was the infamous eighth grade supper from which we raised $583.84.

In ninth grade we were allowed a little more "freedom," and we had some say in the classes that we wanted to take. Many of us at that age were still very naive towards life. Our class project this year was selling Kadet Stationery. Our top salesperson was Valerie Miller who sold forty-six items. Our total profit was $1,138.66.

In tenth grade, biology provided us with a lot of interesting activities, such as our fieldtrips to our mousetraps and our stream communities, plus dissecting our very own fetal pigs. This year the Marion Marching Band was able to go to The Gorham Pageant of Bands where we won two second place prizes due to Mr. Thompson's unrelenting patience and our long hours of practice. This year's class project was the tenth grade supper, and we made $600.

We entered eleventh grade with the normal junior fear of failing the social studies and English regents. Even though Mr. Henrie preached on hour after hour that we were the most unprepared class that he's ever seen and our knowledge of "current events" was pitiful, most of us had no problem in making him eat his words. Chemistry was another highlight of our junior year that many of us think we could have done just fine without. This year's class project was selling chocolate candy bars and we made $1,000.

In our final and last year of the high school experience, our year was concentrated on fund raisers for our senior trip. Our first was the senior booth at the Wayne County Fair at Palmyra where we raised $3,000. Next on the list was the magazine and newspaper sale where we raised $5,700. The Senior Play, "The Prime Time Crime," raked in $1,200 and the spaghetti supper brought in $300. We had our senior dinner dance at Marvin's Country Club on March second. The theme of our senior prom was "Inspiration" by Chicago, and our senior picnic was at Darien Lake.

Now that all the fun is over, the Publications Club would like to wish every member of the senior class the best of luck always. And to the class of '86, may your senior year be as great as ours was . . .

Youth for Understanding — Marion

America, the country I wanted to visit since I saw the first movie about America. My dream became reality, which I never will regret, though the America I experienced was so much different from what I imagined.

Before I came I was prepared to have some problems in the beginning, but I must say teachers, students, and family made it so much easier for me, so I can only remember Marion as a great experience. I thank students and teachers for being so helpful and open about America, and I am so grateful for all the things I have learned. I have never made so many friends before so I can only say "You guys are Great!"

Peder L. Madsen

JUDY PERRY

Many many years ago
in nineteen sixty-seven
Judy Ann was born to us
our little bit of heaven.

Baby dolls, puzzles, games and toys
have been replaced by cars and boys.
Always laughing day after day
happy-go-lucky! That's Judy's way.

Always smiling, full of love she's like the sunshine up above.
We wish you happiness in all you do
remember Jude — we're proud of you!

Judy Ann will graduate
with the class of "85"
and suddenly the time's gone fast
look out world — she's arrived!

TODD VANDERBROOK

Your school days will soon be past. How quickly the days went by. It seems like only yesterday that you started. School was not always easy for you; however, each problem became a growing experience and molded you into the fine young man you are today. We're so proud of you. Best wishes as you embark on a new phase of life. May you enjoy everything you do and do everything you enjoy. Remember the following success formula.

J — Jesus first
O — others second
Y — yourself last

Love — Mom and Dad

TAMMY MARIE VAN GEE

"From the concert of life, no-one gets a program." For the first twelve years of your life Mom and Dad listened to the most beautiful music, only occasionally interrupted by a discord. Then came the teenage years — a time of hard-rock cluttered with discords, irregular beats and muffled voices. Today the discords and irregular beats are fading, the voices are becoming clearer, and, once more, Mom and Dad have the pleasure of being surprised with chords of harmony. We love you, Tam, and wish you much happiness and success for your future.

Love — Mom and Dad

STEVE VAN HALL

The Boys Varsity Track Team finished with a 7 win and 3 loss record overall, and a 5 and 1 league record. For the second year in a row the "Orange Express" came up short in its quest for the County Championship by just one race. A defeat in the very last race vs Pal-Mac decided the county champ.

This hard-working group struggled through the "normal" New York weather for spring. This year's seniors graduate with an excellent record to be proud of. In four years at the Varsity level, these boys showed a combined record in the Wayne County League of 22 wins and 3 losses.

Seniors include Matt DeGelleke (LJ, TJ, HJ), Chris Loren (122 career points), Steve Mullin (30 career firsts) and Mike Fox (238 career points and 52 firsts).

Our team was sparked by these seniors and by some surprising youth. Mike Ramsey was our leading scorer this year with 138 points and 21 firsts. Todd VanderBrook was honored with the "Bill White Award" as our MVP. Todd scored 123 points this year on 23 firsts. Mike Fox won the Class C sectional title in the pole vault with a vault of 11′ 9″. He also qualified for the Meet of Champions which determines our State representatives.

The Girls Varsity Track Team had a great '84 season. Our best team finishes were second place at the Newark Invitational and second place at the Waterloo Invitational, small school divisions. We were 3 and 3 in a tough Wayne County League. We finished the season with an outstanding third place finish at Sectionals, missing first place by only five points. The team was led by Becky Gallivan, who was sectional champ in three distance races. Tracee Holmes was sectional champ in the discus, and Kim Habecker in the hurdles and long jump. Three girls were selected for the All-Star team: Becky Gallivan — 800-1500-3000 races; Tracee Holmes — discus; Kim Habecker — long jump. Becky and Tracee also qualified for state competition.

JR. HIGH TRACK

We had an outstanding group of boys and girls who worked hard to both do well individually and as a team. The girls had a record of five wins and two losses, and a second place finish in the County Meet at Williamson. The boys had a record of four wins and three losses and finished fourth in the County Meet. The coaches hope these athletes will continue in track in high school and make their school proud.

The Black Knight's baseball team got off to a flying start winning three of their first five games. Then they went into a tail spin. Of the next nine games, only two were wins. Senior pitchers Frank Norris and Bob Murray pitched their first Varsity wins. Frank's win came on a neat 2-0 shutout at Sodus, while Bob handcuffed Lyons twice, allowing just one run in fourteen innings. Bob struck out sixteen batters in the Red Creek game only to lose 2-0.

The ability to collect the "big hit" in the key situation contributed heavily to this "lack luster" season, as many runners were left on base. Senior Bob Murray led the team in most categories as his 360 average was a bright spot. In recognition of his achievements, Bob was selected to the Wayne County All-Stars first team and received M.C.S.'s Bill White Award as the team's M.V.P. Other seniors included Jim Jurich, Steve Kuhn, Frank Norris, Ken O'Connor and Wayne County's All-Star, second team Eric Shafer.

With some help from an improved J.V. team, it is hoped the 1985 Black Knights will once again regain their winning form.

We came off the '83 season in excellent shape. Winning the Class A Sectionals, beating Kendall in the state qualifiers, and going to the Western finals was just fantastic. The '84 season saw eight starters back from that team and a fine group coming up from J.V. I personally felt there wasn't a weak spot at any position and the bench looked better than ever.

The first half of the year we beat HAC 2-0, NRW 3-1, Victor 8-1, Sodus 6-1, Williamson 8-0, Pal-Mac 7-0, and we took both Wayne and Red Creek into overtime before they finally defeated us.

Everything was looking just great. Woody was recovering from a knee injury without any problems. The only players with any serious bruises were Newby and Steurrys, but knowing them, they would play 100% even if they had to crawl to the game.

We were basically in position A. It was like a dream come true. But the only trouble was that someone had to awaken us to the second half of the year.

All in all, you must have the breaks with you. Soccer is like that — either lucky or unlucky. In the Wayne game, we banged 3 solid shots off the goal posts. Against Canadaigua, we had 3 goals called back with that game ending in a tie. We outshot Williamsonn 31-15 with 13 corner kicks to their 4, and as "luck" would have it, another tie. Our season ended 6-4-2 in league play and 10-7-3 overall.

We had six fine athletes make the All-County Team: Newby, Steurrys and Gabriel — first team, Purkiss, Todd VanderBrook and Delyser — second team. Brozoski received honorable mention at the goal position.

My personal thanks to the team for all their effort. I do hope that somehow their soccer experience will help them in making the many decisions that life throws at them.

Our year started slowly. It was a time of trial and error. We were trying to find the right combinations all over the field. By the time that the second half of the season came along, there was a stronger, more enthusiastic team on the field, and that showed up in the win — loss column. We were in every game right to the end. Next year's team has the potential of being one of the best, with many underclassmen returning, and a strong, positive attitude. We were happy and honored to have three seniors selected to the all county teams: Kim Corbett, a first team midfielder who also received an honorable mention for the 1984 All Greater Rochester Soccer Team, Val Miller, a second team defender, and Amy DePoint, a second team striker.

We will be losing nine seniors. We wish them all happiness and success.

BOYS J.H. SOCCER — B TEAM

The team posted an undefeated season. This speaks for itself of the quality of players on the team. It also speaks of the unity and teamwork which went into every victory. Every member, whether starter or substitute, contributed to the success of the season.

Amidst the many fine players, there are always a couple that stand out as team leaders. Stoney Hall was a most valuable asset. Hard work, excellent ball control, coupled with his alertness and self-control in all situations marked him as a most valuable player. As for inciting hustle, hard work, toughness, and aggression in the team, Jeff Miller is to be commended.

All are to be commended for their sportsmanship, cooperation, and an excellent representation of the Marion School System.

GIRLS J.H. A SOCCER TEAM

The Girls Jr. High A Soccer Team had a final record of 6 wins, 4 losses, and 2 ties. The record does not show all the hard work and time the girls put into their season. I feel the J.V. and Varsity teams are going to receive a fine group of players. We had an all-around team effort this year on offense and defense. The 15 goals we scored this year were divided between eight girls and 14 assists by five girls. The defense was led by goalie Jenny Boerman, who helped the team record 6 shutouts by stopping 91 of 120 shots. The girls should be congratulated on a fine season.

GIRLS J.H. B SOCCER

In our short eight game season, the Girls Jr. High B Soccer Team outscored the opponents by 22 goals to 8. Our goalie, Meredith McLouth, had two shutouts and held all opponents to two goals or less.

Pam Duke was our top scorer with as many as 4 goals in one game. Carrie Trout and Lori Vallier controlled the middle of the field, and Heather Kelly centered the defense. The team played very well together finishing with a record of 5 wins, 2 losses, and 1 tie. Our final game of the season was recorded as a 2 to 1 loss, but an excellent game was played against Bloomfield's combined seventh and eighth grade team.

Overall, it was a good season with everyone improving and everyone having a good time.

The 1984 Cross Country Team was the best in our school's history. This year we joined the 18 school Wayne-Finger Lakes league and finished in third place overall and undefeated in our division. We won two invitationals and finished second and third in two others. We narrowly missed being Sectional champs this year finishing in second place out of approximately thirty-five schools in class B-C. Our Junior Varsity team finished in second place in the league. Our league record was 30 wins and 4 losses. Our overall record was 114 wins and 8 losses. Rob Spina, Rich Cole, Mike Vallier and Becky Gallivan were selected for the All-Star Team. Becky was also a Section 5 All-Star and competed in state competition.

The 1984-85 Wrestling Team was especially successful because of the fact that we were not supposed to be very good. We lost some seniors the year before, and had to forfeit weight classes every time we wrestled, including three at the Sectionals. We surprised many good teams throughout the season. The team had a dual meet record of 9-4-1. The team was chosen for the Democrat and Chronicle "Top Ten" in Section V for all size schools for the entire season.

The wrestlers were the champions of two tournaments, the Geneseo Tournament (22 teams competed), and the Midlakes Tournament (10 teams competed). These wrestlers made their school and community proud when they were crowned Section V Class C Champions. Some individual records of note: Jeff Henrie, 20-10-1, second in Sectionals; Alex Beiter, 20-14; Jeff Marchionda, 28-9, Section V Champion; Ryan Karpp, 24-11, second in Sectionals; Pete VanGee, 22-13, second in Sectionals; Jim Newby, 26-5-1, Section V Champion; Tim Habecker, 36-0, Section V Champion, New York State Finalist; Mike Purkiss, 22-11, second in Sectionals. The seven boys who placed either first or second in the Sectionals also participated in the State Qualifier. Tim Habecker was Marion's first wrestler to qualify for the State Tournament. He placed a respectable sixth place (155 lb. division) at the State Tournament. During the season, Coach Steve Habecker recorded his 200th career victory.

We will very much miss our graduating seniors. Ryan Karpp, Pete VanGee, Mike Purkiss, Ned Morgan, and Todd Dykhuizen. These boys have been in the program at least four years each, which will make it seem strange to not have their help next year.

The season was very successful, but the success did not come overnight. It came through many years of hard work and dedication. Many of the boys on the Varsity level started wrestling in the elementary school, have stuck with their chosen game, and have succeeded.

"I am very proud of these fine young athletes, for the season they have had, the attitude most have toward wrestling, and the faith they have had throughout a tough year. I am also proud of all our fans, parents, and helpers that made the Sectional Tournament at Marion such a success."

The thirteen members of the Black Knights Varsity posted the best record in recent years and brought "Good basketball" back to the MCS gym. The team finished with a 12 win 8 loss record overall. They finished fourth in the Wayne County League at 9 and 7. Highlights were wins over Lyons at Lyons in December and over previously undefeated Clyde-Savannah at Clyde. The Knights advanced to the third round of Sectionals before losing to Caledonia-Mumford to end the season.

We are proud of these boys and compliment them for their hard work. Countless hours were spent in the gym and at camp over the past few off-seasons to improve themselves and the team. They have set a standard that future players are already working hard to maintain.

The team was dominated by seniors that will be missed greatly next November. Stuart Mitchell led the team in scoring and rebounding. He scored 361 points for 18 per game, including his career 1,000th vs. Kendall. He also grabbed 276 rebounds. Woody DeLyser, our very able point guard, led the Knights in assists with 62 and 124 steals in his third Varsity season. He also added 191 points. Stuart was honored with a first team selection to the Wayne County All-Stars and Woody to the second team.

Four other players scored over 100 points for the year. Seniors Steve VanHall 147, Todd VanderBrook 132, and Mike Ramsey 111, and Junior Roman Brozoski 113. All contributed to a balanced attack. Senior Butch Steurrys was on his way to the 100 mark when he was lost to an injury after 12 games.

The returning Juniors and additions from a very successful JV team promise to keep our winters exciting at MCS. Congratulations go out to the boys and their successful season. Thanks to our parents and friends who followed us all year.

This year's Junior Varsity Black Knights completed a 9 win/9 loss record, the best record in several years by a Marion Boys JV Team. The team consisted of five sophomores and eight freshmen. Valuable game experience was gained by all the team members. Nine of the games were decided by ten points or less and two went into overtime, thus providing very worthwhile and meaningful game situations to help players develop and progress toward their Varsity goal.

A strong defense was the trademark of the 1985 Girls Junior Varsity Basketball Team, allowing an average of just 21 points a game while scoring an average of 42 points per game themselves. It was a team-oriented defense which used full court pressure. Kim McClellan led the team in rebounds with Laura MacLaren second. Lori DeLyser was the leading scorer with 243 points followed by Kim McClellan with 115. Several of the girls showed they are ready for Varsity competition next year.

Boys Jr. High Basketball

The 1985 Junior High Boys A Basketball Team ended their season with a 2-8 record. High rebounder was Alex Wells, while Peter Majewicz was high scorer.

The Marion Boys Junior High B Basketball Team had a successful year. Much growing took place and many lessons were learned by each of the sixteen players. Skills and confidences were developed by many of the players. The team can be proud of the way they represented their school. Although we had only two wins, many of our losses were close games. It was a good experience for the players as well as their coach. It was the best group of "B" players in the county. Their final record was 2 wins and 9 losses.

Girls, filled with enthusiasm and a willingness to work, made up the MCS Girls Junior High A and B Teams. They worked very hard on basic skills and each girl made progress. The girls learned to play as a team. Each game was taken as a challenge. Success was measured in individual growth and team effort. The teams had a good time and the girls gained valuable individual experiences.

TAKE TIME

Take time for friendship when you can.
The hours fly swiftly, and the need
That presses on your fellowman
May fade away at equal speed
And you may sigh before the end
That you have failed to play the friend.

Not all life's pride is born of fame;
Not all the joy from work is won.
Too late we hang our heads in shame,
Remembering good we could have done;
Too late we wish that we had stayed
To comfort those who called for aid.

Take time to do the little things
Which leave the satisfactory thought,
When other joys have taken wings,
That we have labored as we ought;
That in a world where all contend,
We often stopped to be a friend.

— Edgar A. Guest

We are all travellers in the wilderness of this world, and the best that we find in our travels is an honest friend.

— Robert Louis Stevenson

If a man could mount to Heaven and survey the mighty universe, his admiration of its beauties would be much diminished unless he had a friend to share in his pleasure.

— Cicero

Man is forced to be alone by the very nature of society. But if you meet a person who is not envious, who loves and believes in other than himself, then to this rare person offer a lifetime of friendship.

— Susan Polis Schutz

With such a comrade, such a friend,
I fain would walk till journeys end,
Through summer sunshine, winter rain,
And then? — Farewell, we shall meet again!

Beta Club

The National Junior Beta Club is a leadership service club and is composed of students in grades 8 and 9. Membership is by invitation, upon recommendation of teachers and administration. One of the basic goals of the group is to provide leadership through service to others. This year they have been involved with the Statue of Liberty Fund, The Wayne County Humane Society, The DeGelleke Memorial Fund, and the "Snack with Santa." Thanksgiving, Christmas, and Easter boxes of food were given to the needy families in the Marion area.

National Honor Society

N.H.S.

Each December, N.H.S. sponsors the Eddie Meath Penny Fund Drive. Members count and tally the money and plan the Penny Fund Assembly. N.H.S. offers its services to any group in need of ushers at concerts, career days, and other activities. N.H.S. also conducts the Youth Cares Awards by Gannett papers in the spring. In May, N.H.S. plans and operates the spook house at the scholarship carnival.

Future Homemakers

F.H.A

For the 1984-1985 school year, F.H.A. had two main goals. One was to attend the district rally in February, the other was to go to the state meet in April. F.H.A. planned many fund raising projects such as: selling calendars and crystal. They've been involved in many community service projects which included giving $20 to the needy of Marion. Fun things are also a part of F.H.A.! A roller skating party was planned for January, and they made molded candies and caramel apples for their own refreshment.

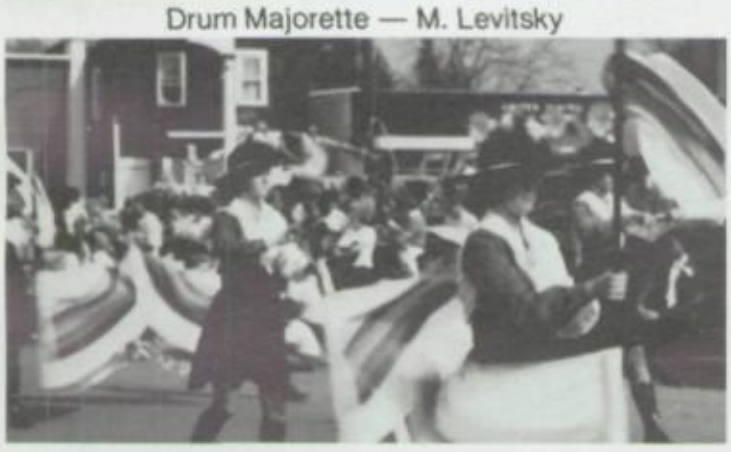
Drum Majorette — M. Levitsky



1984 was a very busy year for the band. In the spring we went to two pageants. In Cazanovia our Jazz Band came in second, our concert band came in first, and our Marching Band also came in first. In Gorham, Marching and Concert both received second place while Jazz came in third. We were the class B overall champs. The Marching Band marched in three parades in the spring. In the Apple Blossom Parade we came in second with our Color Guard tying for first. We also attended the Sesquicentennial Parade in Rochester. In May we marched in our own Memorial Day Parade.

The Fall of '84 started out exciting. We had a student teacher, Miss Karen Kohl. The Concert Band was asked to play at the Republican Rally in Rochester for President Reagan. We had our fall concert and hosted Sr. High Area All-State. We had our annual Christmas Concert. In February we went to Newark for a "Band in the Round" concert. The Seniors' last concert was March 27. In the spring we attended the Seneca Falls and Gorham Band pageants.

Betty Albertson

We would like to pay a special tribute to Betty Albertson who is retiring after more than 30 years of teaching. Betty received her B.S. in Education at the University of Cincinnati. She raised four children while pursuing her career in teaching. Betty devoted 20 years to teaching young people at M.C.S. Many Marion alumni have fond memories of Betty as their "first" teacher. Besides working with young people, Betty enjoys music, swimming, reading, handwork, and travel. We wish her luck and happiness in her retirement. She will be missed by us all.
